Coastal Bronze was created to provide a reliable and cost-effective source for all solid bronze hardware in rustic old-world designs for coastal areas and rustic settings. Coastal Bronze products fill a gap that has existed for years in hardware lines for these types of products.
Introduction

In 2006, we recognized a niche in the hardware industry where the environmental elements weighed heavily on the man made structures within it. Necessity lead to discovery, and discovery lead to the creation of Coastal Bronze.

We offer a full line of traditional pure bronze hardware solutions for gates, doors, windows, new construction and remodels. We provide a unique solution for any structure that requires a life long product to combat the harsh outdoor elements while maintaining a classic and charming design.

- Cost Effective and Reliable Old World Designs
- Custom Design and Fabrication for Unique and Challenging Hardware Scenarios
- A Vision Driven by Our Partners as well as the End Users of Our Products
- Dedication to Outstanding Customer Service, Striving to Exceed Expectations

Commitment To The Environment

At Coastal Bronze, our recycled bronze products represent our commitment to the environment.

We care about the planet at Coastal Bronze. With future generations in mind, we carefully choose Manufacturing Materials with the intent of a greater contribution to the health of the environment. Our hardware is manufactured from recycled copper as well as tin salvaged from various sources for a purely recycled process. While our hardware is 100% recycled material, our sub-assemblies and screws are non-recycled.

Coastal Bronze reserves the right to change terms for any customer at any time.
Finance charges of 1.50% per month will be applied to balances past the due date. Continued late payments may result in loss of credit terms and orders being shipped C.O.D.

Coastal Bronze accepts credit card payments through, AMERICAN EXPRESS, VISA, or MASTER CARD. Customer may choose any of the listed credit cards for payment of product and/or shipping charges, but payment must be made in advance of shipment.

Internet Activities
Coastal Bronze does not go to market through INTERNET ONLY COMPANIES. The List Pricing for products are on the web site. Showroom dealers who have internet activites may NOT ADVERTISE LESS THAN A LIST PRICE ON THEIR WEB SITE FOR COASTAL BRONZE PRODUCTS. Coastal Bronze will check regularly for compliance with this policy and take appropriate action when non-compliance is found. Our goal is to direct business to displaying showroom dealers.
Limited Warranty
Coastal Bronze warrants all flat goods (non-locking) to be free of defects in material and craftsmanship for five years from the original invoice date.

Coastal Bronze warrants all locking goods, including locks, latches and deadbolts, to be free of defects in material and craftsmanship for 1 year from the original invoice date. In areas of high humidity or proximity to ocean, warrants is 6 months.

These warranties are extended to the original purchaser and the original installation site. Warranty is non-transferable and proof of purchase is required. In any case, Coastal Bronze is not responsible for removal or installation of the replacement hardware or repaired parts, or for any damage caused by mishandling, improper installation, tampering, abuse or any events outside the control of Coastal Bronze.

This warranty sets forth the exclusive remedy with respect to any and all losses or damages resulting from any cause whatsoever. Coastal Bronze shall in no event be liable for consequential or incidental damages of any kind, whether by negligence or otherwise.

Coastal Bronze makes no other warranty, expressed or implied, including implied warranties of merchantability and fitness for a particular purpose with respect to its products except as set for above. No customer, distributor, sales person, showroom, dealer or other entity has the authority to alter these warranties either orally or in writing.

Coastal Bronze adds a patina to all products to simulate aged bronze. Finishes will develop a wear highlight and may change color based on environment. This is not considered a defect, but part of the natural beauty of aged bronze.

Order Discrepancies
All orders are carefully packed and inspected prior to shipping. Coastal Bronze will pay all charges associated with packing or shipping errors. Dealers are required to pay all charges associated with their errors. Mistakes and short orders must be reported within five (5) working days of delivery.

Returned Goods
ALL products to be returned to Coastal Bronze, regardless of reason, must be authorized prior to their return and have a RETURNED GOODS AUTHORIZATION number. All returns must be shipped prepaid, as Collect or COD shipments will be refused and returned to sender. Shipments without an RGA number on the outside of the carton will be refused and returned to sender.

Regular goods are returnable up to 90 days from invoice date if un-opened and in original packaging. Goods must be accompanied with a factory issued RETURN GOODS AUTHORIZATION form and number along with a copy of the invoice. All returns will be credited at the net value on the invoice less a 25% restocking fee only after inspection. Defective goods will either be repaired or replaced within a reasonable period. Defective goods must be accompanied with a RGA form, RGA number, invoice and freight prepaid. COD Returns will be refused.

Cancellations
Orders may be cancelled prior to shipping. If shipping has taken place, then the customer is liable for shipping charges and a restocking fee of 25%. All orders are shipped within 72 hours of receipt and acceptance by the factory. Customers will be notified of any back orders or delays via e-mail to designated contact.

Specifications and Procedures
Due to the nature of many of the products, in the range, sizes may vary to a small degree. Coastal Bronze reserves the right to discontinue or change any product, design, function, finish or price without prior notice.

Strength of Bronze
Most bronze used in casting hardware today is composed of 85% copper and the rest in various other metals. The strength of steel is two to three times stronger then copper. This is important to note when using bronze to support heavy doors or gates.

A Note about Finishes
Bronze ages gracefully and may change in appearance due to varying environmental conditions. Bronze patina finishes will develop a wear highlight with frequency of use. When bronze is exposed to air it will tarnish quickly and turn brown. Bronze exposed to exterior elements and conditions will turn green. This discoloration is referred to as patina. This patina process starts immediately upon installation. None of these conditions are considered defects, but part of the natural beauty of aged bronze.

We strive to match finishes within a given order, but parts ordered at a later date may not match the original pieces. They should however, age to match the original pieces.
